

Jabiru Owners' Gathering!

For those of you headed to Oshkosh this year, you won't want to miss the Jabiru Owners Gathering Thursday afternoon, July 25th, 3-5 PM at the Jabiru exhibit spaces 98 and 99, near the front entrance to Oshkosh. Hosted by Jabiru LSA - US Sport Planes. Note, our exhibit space is up near the main gate to the grounds at Oshkosh!

This year will feature an appearance from special guest, Mick Halloran! Mick, the new Executive Director of Jabiru Australia, will be giving us the inside scoop on the happenings in the factory!

This will also be a chance to meet and visit with other Jabiru owners in a relaxed setting at the Jabiru Exhibit, while enjoying music provided by the Flying Musicians Association!

Expect to meet other Jabiru owners from around the US, Australia, and other countries!

Hors d'oeuvres, libations, music and fellowship will all be available – Come enjoy and build the camaraderie!

This is a Special Event for Jabiru owners – Please RSVP to Scott@ussportplanes.com
